Dear Families,

It has been a sunny and busy start to our summer term in school and the children have enjoyed lots of time outdoors.

It has been lovely to see so many of you over the last few weeks supporting school with our Stay and Play sessions and Community Picnic; I know the children have really enjoyed their family members coming into school.

After the break, we are looking forward to our visit to the Storybarn where we can enjoy some magical stories and explore the grounds of Calderstones Park. Also save the date for our Summer Fayre, 19th July!

As we approach the holidays, enjoy time with your families, filled with fun activities, and fingers crossed for a little more sunshine!

Thank you for your continued support,

Liane Johnson (Executive Headteacher)

2 Year Olds

This term in our 2 year old room our focus has been growing, with our key question 'What grows from a seed?' We have planted our own beans, ensuring they have plenty of water and sunshine to help them to grow. We have also created our own beanstalk which has focused around our key vocabulary 'big' and 'little', and then we measured each other's height and observed who was the tallest and who was the shortest in our class.

For VE Day, we celebrated by dressing in red, white and blue and remembered our heroes. We also enjoyed inviting our parents in for Stay and Play this term, and it was nice to share a part of our nursery day with them and to discuss transitions and next steps.

3-4 Year Olds

We have had a wonderful start to the summer term here at nursery, filled with exciting activities, lots of creativity, and plenty of time outdoors enjoying the lovely weather. The children have been busy planting seeds and learning about how things grow. We have planted cress, tomatoes, peas, beans and herbs. With lots of careful watering and the recent sunshine, we are already seeing the first signs of growth! The children have loved checking on their plants each day and are learning how important it is to care for living things.

To celebrate St George's Day, the children made their own shields and had a fantastic time using them in imaginative play. There were plenty of dragons to defeat and castles to protect—their creativity really shone through. We also had a very special treat—we made our own ice cream. It was hard work shaking it into shape, but the results were well worth it. The children enjoyed their delicious creation with some fresh fruit the next day for snack time.

To mark 80 years since VE Day, we dressed in red, white and blue, made our own medals and decorated the nursery with colourful bunting flags created by the children. It was a wonderful way to talk about history in an age-appropriate way and celebrate with music and joy. Thank you, as always, for your continued support.
